Dear Editor-in-Chief

AL-ISHLAH: Jurnal Pendidikan

Dear Editor-in-Chief,

We are pleased to submit our manuscript entitled “**Integration of Qur'an based eclectic methods in Arabic learning: Theoretical and practical foundations of the revealed text**” for possible publication in *AL-ISHLAH: Jurnal Pendidikan*.

This article presents a theoretical and practical exploration of eclectic teaching methodologies rooted in the Qur'an as a revealed text, with specific relevance to Arabic language instruction in Islamic education contexts. By offering a conceptual synthesis of Qur'anic pedagogical principles and their practical implications in modern language classrooms, this study addresses a critical need for innovative, spiritually grounded educational models. We believe this contribution is strongly aligned with the mission and scope of *AL-ISHLAH: Jurnal Pendidikan*, particularly in its emphasis on integrative, values-based education and Islamic pedagogical thought.

We confirm that this manuscript is original, has not been published elsewhere, and is not currently under consideration by any other journal. All authors have contributed significantly to the work, have approved the final version, and have no conflicts of interest to declare. We have adhered strictly to the journal's submission guidelines and formatting requirements.

We appreciate your time and consideration, and we hope our work meets the standards of *AL-ISHLAH: Jurnal Pendidikan*. We look forward to the opportunity to contribute to the ongoing discourse on Islamic and language education through your esteemed journal.

Sincerely,

Moh. Aman
